## HARCELEMENT SEXUEL, Quand une femme dit non

- Jacqueline Sigaar,
- Society
- 1997
- 52'

What is sexual harassment? In France, we waited until 1992 to have it outlined, defined and sanctioned by law. By its existence, by its quantitative importance, but also by the way it is perceived, sexual harassment reveals the state of the relationships between men and women in Society. We will show testimonies and we will go into the field to observe those who are fighting against harassment: lawyers, psychologists...
